

# SHENANIGANS IMPROV CLASSES OFFERED YEAR 'ROUND FOR KIDS TO ADULTS!

## Our flagship Shenanigans program since 2009

We use improv as a tool to create self-confidence, develop teamwork, grow listening and response skills, be in the moment, use imagination, think more flexibly, adapt to changes, and so much more! It's entertaining, social, and perfect for anyone who is looking for a cool, fun activity – including those who have high-functioning autism or similar traits, are shy, or who struggle with social relating.

Must be able to take direction and participate in a small group environment with minimal direct supports. No acting experience needed. Just prepare to have fun!

**ONLINE CLASSES! ONLINE REGISTRATION!**

We hope to resume in-person classes in the fall along with our Zoom classes.

autism  
IMPROVISED™
